**Introduction to the Summary of Benefits  
for ADVANTAGE SOUTH  
January 1, 2009 - December 31, 2009  
SOUTH FLORIDA**

Thank you for your interest in Advantage South. Our plan is offered by QUALITY HEALTH PLANS, INC./Quality Health Plans, a Medicare Advantage Health Maintenance Organization (HMO). This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call Advantage South and ask for the "Evidence of Coverage".

**YOU HAVE CHOICES IN YOUR HEALTH CARE**

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like Advantage South. You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program. You may join or leave a plan only at certain times. Please call Advantage South at the telephone number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

**HOW CAN I COMPARE MY OPTIONS?**

You can compare Advantage South and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers. Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

**WHERE IS ADVANTAGE SOUTH AVAILABLE?**

The service area for this plan includes: Broward, Miami-Dade, Palm Beach Counties, FL. You must live in one of these areas to join the plan.

**WHO IS ELIGIBLE TO JOIN ADVANTAGE SOUTH?**

You can join Advantage South if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with End Stage Renal Disease are generally not eligible to enroll in Advantage South unless they are members of our organization and have been since their dialysis began.

**CAN I CHOOSE MY DOCTORS?**

Advantage South has formed a network of doctors, specialists, and hospitals. You can only use doctors who are part of our network. The health providers in our network can change at any time. You can ask for a current Provider Directory or for an up-to-date list visit us at [www.qualityhealthplans.com](http://www.qualityhealthplans.com). Our customer service number is listed at the end of this introduction.

for ADVANTAGE SOUTH  
January 1, 2009 - December 31, 2009

**WHAT HAPPENS IF I GO TO A DOCTOR WHO'S NOT IN YOUR NETWORK?**

If you choose to go to a doctor outside of our network, you must pay for these services yourself. Neither Advantage South nor the Original Medicare Plan will pay for these services.

**DOES MY PLAN COVER MEDICARE PART B OR PART D DRUGS?**

Advantage South does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

**WHERE CAN I GET MY PRESCRIPTIONS IF I JOIN THIS PLAN?**

Advantage South has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases. The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at <http://www.qualityhealthplans.com/medicareformulary.html>. Our customer service number is listed at the end of this introduction.

**WHAT IS A PRESCRIPTION DRUG FORMULARY?**

Advantage South uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at <http://www.qualityhealthplans.com/medicareformulary.html>. If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

**HOW CAN I GET EXTRA HELP WITH PRESCRIPTION DRUG PLAN COSTS?**

If you qualify for extra help with your Medicare prescription drug plan costs, your premium and costs at the pharmacy will be lower. When you join Advantage South, Medicare will tell us how much extra help you are getting. Then we will let you know the amount you will pay. If you are not getting this extra help you can see if you qualify by calling 1-800-MEDICARE (1-800-633-4227), TTY users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

**WHAT ARE MY PROTECTIONS IN THIS PLAN?**

All Medicare Advantage Plans agree to stay in the program for a full year at a time. Each year, the plans decide whether to continue for another year. Even if a Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue, it must

send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area. As a member of Advantage South, you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug.

**WHAT IS A MEDICATION THERAPY MANAGEMENT (MTM) PROGRAM?**

A Medication Therapy Management (MTM) Program is a free service we may offer. You may be invited to participate in a program designed for your specific health and pharmacy needs. You may decide not to participate but it is recommended that you take full advantage of this covered service if you are selected. Contact Advantage South for more details.

**WHAT TYPES OF DRUGS MAY BE COVERED UNDER MEDICARE PART B?**

Some outpatient prescription drugs may be covered under Medicare Part B. These may include, but are not limited to, the following types of drugs. Contact Advantage South for more details.

- Some Antigenes: If they are prepared by a doctor and administered by a properly instructed person (who could be the patient) under doctor supervision.
- Osteoporosis Drugs: Injectable drugs for osteoporosis for certain women with Medicare.
- Erythropoietin (Epoetin alpha or Epogen®): By injection if you have end-stage renal disease (permanent kidney failure requiring either dialysis or transplantation) and need this drug to treat anemia.
- Hemophilia Clotting Factors: Self-administered clotting factors if you have hemophilia.
- Injectable Drugs: Most injectable drugs administered incident to a physician's service.
- Immunosuppressive Drugs: Immunosuppressive drug therapy for transplant patients if the transplant was paid for by Medicare, or paid by a private insurance that paid as a primary payer to your Medicare Part A coverage, in a Medicare-certified facility.
- Some Oral Cancer Drugs: If the same drug is available in injectable form.
- Oral Anti-Nausea Drugs: If you are part of an anti-cancer chemotherapeutic regimen. Inhalation and infusion drugs provided through DME.
