WHAT ARE MAINTENANCE DRUGS

Maintenance drugs are used to treat long lasting or chronic conditions and are taken for an extended period of time. They include medications for high blood pressure, arthritis, heart conditions, birth control, cholesterol, asthma and others. EZ Rx is a convenient dependable and less expensive way to obtain your maintenance medications.

WHAT ARE GENERIC DRUGS

The generic name of a drug is its chemical name. The brand name is the trade name under which the drug is advertised and sold. Generic drugs meet the same FDA standards and have the same active ingredients, strength and effect as brand name drugs.

EZ Rx buys only the highest quality generic medications available. Unless your physician has specified otherwise, (i.e. hand written " Medically necessary") your prescription will be filled with a generic equivalent when available and permissible.

HOW DO I USE EZ RX FREE HOME DELIVERY SERVICE

1. Let your physician know you have EZ RX PHARMACY FREE HOME DELIVERY SERVICE
2. Complete the Confidential Patient Profile attached to this form.
3. Use the self-addressed postage paid envelope to enclose the following:
